Benefit ❋ of ❋ our ❋ Extension ❋ Feature ❋ Illustrated.

BOSTON, MASS., April 10, 1886.

MESSRS. PLYMPTON & BUNTING,
Gen'l Managers New England Department, Penn Mutual Life Ins. Co., No. 15 State Street, Boston, Mass.

GENTLEMEN,—In acknowledging receipt of your Company's cheque, in payment in full of the sum of $5,000, covering the amount called for in Policy No. 33,650, in the Penn Mutual Life Insurance Company, of Philadelphia, on the life of the late Colonel B. W. Hoyt, of Epping, N. H., it seems right and proper that we should place on record the facts involved in the payment of this amount, as well as our grateful sense of appreciation of the just and equitable provisions of the policy contract, and also the promptness and courtesy which have characterized your conduct in the matter.

The Policy was issued by your Company on the thirtieth day of April, 1883. But two annual payments of $256.35 each have been made, and thirty per cent of those by premium note. When the third annual payment became due, in April, 1885, Colonel Hoyt neglected to pay, and the Policy lapsed, for non-payment of premium. After Colonel Hoyt's death, upon an examination of his effects, this Policy was found, and inquiry was made whether it possessed, under the laws relating to non-forfeiture, a certain paid-up value. It was found that the Policy provided for the issuance of a "paid-up" Policy after two full annual premiums had been paid, provided application was made within sixty days from the date of payment. Colonel Hoyt had made no application; consequently no paid-up value existed, and under ordinary circumstances, the Policy would have been of no value. But another feature, peculiar to the "Penn Mutual," was brought to notice, whereby it is agreed that if no application is made for a "paid-up" Policy, then the full legal reserve shall be applied to extend the Policy in force for as many years and days as it will pay the premium.

We were informed that under this admirable and equitable feature of the Policy it was still in force to its full amount. and would be paid, less the amount of the unpaid annual premium, with interest. This has now been done; and we note that if this Policy had been issued by a Massachusetts company, the beneficiaries would have received, under the Massachusetts non-forfeiture law, three hundred and ninety-eight dollars ($398). being its full paid-up value, instead of $5,000, less one premium of $236.35, with interest of $12.10. from which was deducted a dividend of $40.85, making the net amount received, $4,772.40.

We feel that the peculiar circumstances connected with this case justify us fully in making this detailed statement, and close with our most hearty congratulations to you personally, in representing a Company which gives not only "Insurance which does Insure," but also adds every feature which is desirable to its contracts. in the line of securing to its policy-holders all the rights and equities to which they are honestly entitled.

Very respectfully yours,

WIGGIN & FERNALD,

Attorneys for Henry F. and Sarah A. Hoyt, Beneficiaries named in the Policy.

And in addition to the dry process of cleaning, I can now Cleanse Carpets, Rugs, Blankets, &c., thoroughly by STEAMING or WASHING. I make a specialty of WASHING RAG CARPETS. Please remember, that Carpets cleaned by my process are rid of moths and are made perfectly clean and rendered soft and bright. Also, that no injury is done to the Carpet; but on the contrary, it is made better. Also, that by whipping a carpet it cannot be perfectly cleaned, and it cannot be whipped without injury. Carpets called for, cleaned, and re-laid at very reasonable prices. Orders by postal card will receive prompt attention. After numerous requests, I have fitted up a part of my building for

THE

BERKSHIRE

LIFE

INSURANCE COMPANY

OF PITTSFIELD, MASS.

REASONS WHY IT SHOULD BE PREFERRED BY THOSE DESIRING INSURANCE.

It has the benefit of over thirty years successful experience.

Its business is conducted on the mutual plan, thus enabling members to get their Insurance at cost.

It has always paid large dividends, thereby making the cost of insurance low.

It maintains a reserve for the protection of policy-holders, on the Massachusetts Standard, the highest basis required by the laws of any State.

It has a large surplus over the legal reserve and all other liabilities.

Its conditions as to travel and residence are very liberal.

Its policies are protected by the non-forfeiture laws of the Commonwealth of Massachusetts, which secure greater benefits to members than those of any other State.

It has always maintained a high reputation for just and liberal treatment of its members by promptly adjusting and settling all policy claims, a proof of which is the fact that no judgment has ever been rendered against it.

WILLIAM R. PLUNKETT, President.
JAMES M. BARKER, Vice President.
